

Covid-19: Arrangements for testing at schools
Declaration of consent for the academic year 2021/22
(Minor pupil in secondary education)

December 2021

In the light of the evolution of the pandemic in the Grand Duchy, the health arrangements put in place by the Ministry of Education, Children and Youth have been adjusted for the academic year 2021/22. The **arrangements for testing** at schools are henceforth as follows:

- Base scenario = 0 positive cases in the class
- Scenarios 1 and 2 = 1 or 2 positive cases in a class
- Scenario 3 = as from the 3rd positive case in a class
- Scenario 4 = Chain of infection in a school (several classes involved and/or more than five positive cases in any one class)

As long as the base scenario applies to the class, pupils in secondary education are to carry out **two rapid antigen self-tests each week** (one at school and one at home).

In the context of scenarios 1 and 2,

- the infected person(s) is/are isolated.
- Masks must be worn at all times.
- Pupils who have been vaccinated or have recovered from Covid are not quarantined; they **may** take part in the enhanced testing scheme.
- pupils who are neither vaccinated nor recovered from Covid are not quarantined as long as they take part in the enhanced testing scheme every 24 hours at school or at the centre for a period of seven days as from the last contact with the person who has tested positive.
- Pupils who are neither vaccinated nor recovered from Covid and do not take part in the enhanced testing scheme are quarantined for a period of seven days as from the last contact with the person who has tested positive. The quarantine is lifted by a certified negative test (carried out on the basis of a prescription no earlier than six days after the last contact with the person who has tested positive).

In case of a scenario 3,

- the infected persons are isolated.
- Pupils who are neither vaccinated nor recovered from Covid are quarantined. The quarantine is lifted by a certified negative test (carried out on the basis of a prescription no earlier than six days after the last contact with the person who has tested positive).
- Pupils who are vaccinated or recovered from Covid are not quarantined and continue to carry out self-tests twice a week (once at school and once at home); masks must be worn at all times.
- Distance learning is organised if more than half the pupils in a class have been quarantined.

Depending on the evolution of the virus, the Health Inspectorate may propose cluster testing for the entire school. In this case, PCR tests are carried out by the mobile teams of the National Health Laboratory (LNS).

Participation in the testing arrangements described above depends on the class teacher having received this declaration of consent, duly filled in and signed. Please note that consent may be given or withdrawn, in writing, at any time.

Information about the type and application of the test are available online at www.edutesting.lu. The website contains videos explaining how to use the test, and a set of FAQ in several languages.

More information is available online at covid19.men.lu.

The statutory rules on the protection of personal data, including the entitlements of the individuals whose data is processed (right of access to the data, right to have data deleted, corrected, etc.) are applicable under the corresponding conditions and subject to the exceptions and waivers provided for.

If you have any questions about the processing of this information or wish to exercise your rights, you may (providing proof of your identity and if appropriate that of your minor child, by attaching to your request a legible, valid copy of your ID document and that of your minor child) contact the Controller (person responsible for data processing) or the Data Protection Officer at dpo@men.lu.

Covid-19: Arrangements for testing at schools
Declaration of consent for the academic year 2021/22
(Minor pupil in secondary education)

December 2021

I the undersigned Mr / Ms*

(Family name) _____

(First name) _____

(Tel.) _____

mother/father/legal representative* of

(Family name of the pupil) _____

(First name of the pupil) _____

(Registration no. (matricule) of the pupil)

(Name of school) _____

(Class) _____

(please tick the box to express your consent)

- ☐ **give my explicit consent to my above-mentioned child taking part in the testing scheme described overleaf**, which means that he/she will carry out a self-administered test twice a week (once at school and once at home) during the base scenario, that he/she will take part in the enhanced testing scheme (every 24 hours for a period of seven days) in case of a scenario 1 or 2 and that he/she will take part in a possible cluster testing scheme (PCR test carried out, if possible, by a mobile team of the LNS). By my consent I undertake to **declare any positive result noted at home to both the school and the Health Inspectorate (website at <https://covidtracing.public.lu/covid> or hotline on 247-65533)**. Besides, my consent necessarily involves that **the result of each test carried out at school and the personal data** (last and first names, registration number, address and mobile phone number) will be passed on to the **Health Inspectorate**. Finally, I undertake to collect my child from school as soon as possible in the event of a positive result for a test carried out at school. To do this, I would like the school to contact:

Ms/Mr*: _____

on mobile phone no.: _____

By handing in this form, you agree to your personal data being processed in accordance with the foregoing .

* Please circle the appropriate title

LE GOUVERNEMENT
DU GRAND-DUCHÉ DE LUXEMBOURG
Ministère de l'Éducation nationale,
de l'Enfance et de la Jeunesse

Done at (place) _____ on (date)
_____) _____.

Signature _____

Please return this form to the school as soon as possible.

The statutory rules on the protection of personal data, including the entitlements of the individuals whose data is processed (right of access to the data, right to have data deleted, corrected, etc.) are applicable under the corresponding conditions and subject to the exceptions and waivers provided for.

If you have any questions about the processing of this information or wish to exercise your rights, you may (providing proof of your identity and if appropriate that of your minor child, by attaching to your request a legible, valid copy of your ID document and that of your minor child) contact the Controller (person responsible for data processing) or the Data Protection Officer at dpo@men.lu.
